Bethlehem, the city of Jesus' birth, is under occupation. All its residents, including Palestinian Christians, are suffering. Behind the wall that separates neighbor from neighbor, patient from hospital, student from school and farmer from land, Palestinian Christians continue to bear witness to their faith this Christmas, as they have done for generations. Once again, let us join our voices with theirs in seeking and offering hope for a better future.

Sponsored by the Ad Hoc Committee for Bethlehem, Bright Stars of Bethlehem, Sharing Jerusalem, and the Washington Interfaith Alliance for Middle East Peace.
